

# 4 Day Horizontal Falls Fishing Tour

## Suggested itinerary

### Day One

Pick up at 5.00am for our island fishing extravaganza we board our big boat "Queen B" after a quick briefing we are off to the Mermaid Island for some Reef Fishing or trevally, queen fish in the same area. With the change in tide it's off to Silica Beach for a quick swim on the whitest beach in the Kimberley. After a crisp lunch it's off to the Horizontal Falls passing by Cockatoo Is and Koolan Is. Once at the Horizontal Falls we will experience the tide like no other, then it's off to our reefs to try our luck at Big Finger-mark, Spanish flag, Nor west Snapper, Scarlet sea perch and coral trout all on offer. By 5.00pm it's off to our secret beach to ready camp and a quick swim before the sunsets on another beautiful day. Tonight we dine with fine foods and fresh fish you have caught. Tonight you will be sleeping in swags aboard our vessel down in Dugong Bay among huge cliff and massive waterfalls.

### Day Two

Today we explore dugong bay chasing waterfalls and Barra down the creeks as the tide changes we put some crab pots in and try our luck for some Mud Crabs. After all this fishing and high energy work out its time to spoil yourself in the famous Silver Gull Creek where a 26 Degree fresh water spring awaits you. With the tide nearing high water we will slip off to Croc Creek for more photo's and fresh water swimming. Now the tide is falling we depart for Coppermine Creek where we have a quick fish and set anchor in the creek. Tonight we have special friends join us for a feed these sleepy sharks are the pussy cats of the sea. Tonight we sleep aboard our vessel with the chance of an evening fish.

### Day Three

Today is time for more exploring and fishing. We head off to Strickland Bay for some reef fishing and lunch on a secluded beach and investigate the graves of the peeling industry in the 1800's. We Head down the creek chasing mangrove jacks, Barra, Finger mark and enjoy a fresh water swim at the falls. We leave Strickland Bay and head for Cone Bay. Tonight we camp on our secluded beach with a camp fire and enjoy the true Kimberley night show of a million or more stars. We sleep in our swags with mozzie domes and enjoy the great views.

### Day Four

You will be woken to the sounds and smells of Andy's famous beach breaky before we depart this secluded location. Then is off for some more fishing and sight-seeing and a close up look at the Barra farm. We do a walk up to XX waterfall and check out the remains of their old camp. We depart Cone Bay and head for a high speed run through "Hells Gates" to experience the tidal flow of this area and a look at the inland sea. We bid the islands farewell and head for Derby approx.. arrival to Derby 4.30pm. Our crew will return you to your accommodation within Derby.
